Senior Parents,

Welcome to the senior year with your children. I have two huge reasons to be excited to step into the role of senior dean for the class of 2019. The first is that as the dean of the class of the just-graduated class of 2018, I very fondly remember last year. Seniors are reasonably mature and sophisticated, and they assume responsibility as leaders on campus. I feel safe in speaking for our advisors that working with seniors is the most enjoyable time of the four-year advising cycle. The second reason is that as the dean of 2018, we competed against the class of 2019 for three years in class spirit. 2019 won last year's overall spirit competition demonstrating their cohesive, supportive personality. I feel like Kevin Durant with the Golden State Warriors— if you can't beat 'em, join 'em.

Senior Student & Parent Page

Senior Parents,

Welcome to the senior year with your children. I have two huge reasons to be excited to step into the role of senior dean for the class of 2019. The first is that as the dean of the class of the just-graduated class of 2018, I very fondly remember last year. Seniors are reasonably mature and sophisticated, and they assume responsibility as leaders on campus. I feel safe in speaking for our advisors that working with seniors is the most enjoyable time of the four-year advising cycle. The second reason is that as the dean of 2018, we competed against the class of 2019 for three years in class spirit. 2019 won last year's overall spirit competition demonstrating their cohesive, supportive personality. I feel like Kevin Durant with the Golden State Warriors— if you can't beat 'em, join 'em.

At the matriculation ceremony back in August, I opened our first senior-class meeting emphasizing that we are all part of a team. In fact, we are all part of many different teams. We can view our family, the classroom, the class of 2019, Harker, the larger community, etc. as a team. If we can look to shared goals and think about how we can help our 'team' move forward, we can enjoy much more success than working just individually. And I personally feel that the success we enjoy as a team is sweeter than the success we enjoy as an individual.

Senior Collage Making

Date: Friday - April 12, 2019

Time: 6:00 PM to 8:00 PM

Location: Manzanita Edge, Saratoga Campus

The Senior Collage Making evening is to give parents (and their student if they'd like) an opportunity to kick start their collage. Come by to get ideas or work on your collage with other parents. If you purchased a frame through Harker, you can pick it up this evening.

Please RSVP to the evite if you plan to attend. The evite will be sent in mid-March.
