

Car pool to Harker with GoKid!

Connect with Harker families who live near you.

The Harker School has partnered with **GoKid** to offer parents an easy way to find and organize car pools. With **GoKid**, parents can connect with nearby school families, set up car pools to school and after-school activities, and manage car pools in real time, all on the web or on the **GoKid app**. **GoKid** helps parents save time and gas, reduces traffic, and supports the school's sustainability efforts.
