

Harker Student Transportation Services 2024-25

Please take a close look at the routes and times as some have changed from the previous year.

Harker’s home-to-school and intercampus transportation is offered to our students in grades K-12 only. We do not offer services for our TK students. Shuttles services will begin Monday, August 19, 2024, for the upper school and Tuesday, August 20, 2024, for the middle school. All routes will begin normal service on Wednesday, August 21, 2024, and will end on Thursday, May 29, 2025. Routes will run Monday through Friday on all dates which school is in session, except as referred to later in this document under Special Schedules. **All fees for this service are included in tuition.**

Sign-up links are available and can be found in the email sent from the Student Affairs Office in early August. Families of students in grades K-5 and 9-12 will be able to join routes only if space and connectivity to their home campus are available. We have increased our overall transportation services to accommodate the city of San Jose traffic requirements for our middle school campus. We reserve the right to amend all routes (with written notice) to ensure adequate ridership and resources. We also reserve the right to move students to a different pickup time if one of the stops is overbooked. Priority will be given to middle school students in all decision making.

General Information

Parents are responsible for having their child curbside (out of the car) **5 minutes** before the scheduled departure time on the same side of the street or parking lot as the bus. Students should be in the designated staging area 12 feet away from the arrival point of the bus. In accordance with CHP guidelines, once the bus is in motion it cannot stop to pick up a child who may have arrived late.

SmartTags – RFID

We have increased the numbers of riders because the restriction on vehicle count at the middle school. As a result, we have found a swift and accurate way to welcome students on the bus, account for them, and assure that we are getting them off at their correct destination.

We have contracted with SmartTag to use RFID tag technology to identify each student as they board the bus. Each student bus rider will be issued an RFID tag that must be on their person each day when they ride the bus. When clipped to the student’s bookbag, the RFID reader on the bus will let us know your child has boarded and let us know again when they have disembarked as well.

Once your child is registered, you can request a RFID tag for them. If your child is new to riding the shuttles, please email transportation@harker.org requesting a new tag. If your child rode the previous year, please use those tags as they roll over each year. If your child is not new to Harker but did not ride last year, please see the BEST (lower school)/BASE (middle school) department on your child’s campus or the Student Affairs Office if your child is an upper school student after the start of school. *RFID tags are not needed for our van service routes. ***Any lost tag must be replaced and will need to be requested through the Transportation Office by emailing transportation@harker.org and providing your child’s full name and grade.*** The replacement tag will be given to your child’s bus driver to be given to her/him/them when boarding the bus. Please keep your tags from the previous school year.

School Pass – Afternoon Rides Only

You will use the **School-Pass** app exclusively to manage your child's afternoon schedule. Separate communication about School Pass with information on how to access and schedule your student's rides will be sent out early August. This email will be sent directly from SchoolPass. **If you registered previously in School Pass you will need to uninstall the old app and reinstall the new app. All existing passwords have been reset for the new school year.** The app allows you to manage your child's ridership on a daily, weekly, or seasonal basis. You can link to the School Pass website through <https://harker.school-pass.net/>. Visit the app store and download the app to your mobile device. **All users of the afternoon school-to-home service and afternoon intercampus shuttles must use SchoolPass to schedule your student's transportation.**

Special Schedules – Route Amendments and Cancellations

The following days will be morning service only due to early dismissals: **Friday, December 20, 2024, Thursday, May 22, 2025, and Thursday, May 29, 2025.** There may be potential route cancellations during the **Middle School trip week.** Notifications will be sent if cancellations/changes are made. While we do not presently have any set plans for "dark days" when the service will not be available, we will advise you in advance if this plan changes. When we send email notices about a service, they are sent to the email address provided, so please keep it up to date. **We also reserve the right to cancel or change any leg of the service during the school year.**

Transportation Agreement and Authorization: The enrollment for your student(s), via the Google Doc (AM service) and SchoolPass (PM service), authorizes the service under the Travel and Treat clause. Thank you for entrusting us with your child's transport to Harker.

For MORNING registrations – Fill out the google form or if you are past the deadline, please email Brianna.Alday@harker.org with the following information:

Requested route name and pick-up point;

Your child's full name and grade;

Your full name;

Your email address; and,

A text-enabled cell phone number is required so that we can notify you of any service interruptions and update you with alternative plans or cancellation notices.

Contact Information

If you have any questions, do not hesitate to contact The Office of Student Affairs at 408-345-9600 or at studentaffairs@harker.org.

Afternoon Intercampus and Cupertino/Peninsula School-to-Home Routes

All registrations for these routes must be made directly into the SchoolPass app as referenced earlier in this document. Additionally, parents are expected to be at the bus stop to pick up their child when the bus arrives, or no later than 5 minutes after arrival time. We are not responsible for the direct supervision of your child after she/he/they leave the bus. If that stop is on a Harker campus, we still expect parents to be there to pick them up in timely fashion. If parents are habitually late, you will be contacted by your campus dean with a reminder about this responsibility. Please note, on occasion, some PM routes will have sports shuttles attached to them. These will not affect the timeline listed.

Green Route

- Pickup point #1: Harker Middle School Campus front loading zone
Bus departs: 3:40 p.m.
- Drop point #1/Pickup point #2: Harker Lower School Campus
Bus arrives: 4:05 p.m.
Departs: 4:10 p.m.
- Drop point #2/Pickup point #3: Harker Upper School Campus Manzanita Loading Zone (rear driveway)
Bus arrives: 4:25 p.m.
Please be on time and waiting for the bus arrival. Students will not be allowed to enter the campus proper unless connecting with a sibling. All others will stay in the waiting area at the end of the Main Administration Building adjacent to the bus stop.
Departs: 4:30 p.m.
- Drop point #3: Abundant Life Church, 10100 N Stelling Rd. Cupertino, 95014.
Bus arrives: 4:45 p.m.
It is very important that parents be on time and waiting for the bus arrival so schedule can be maintained. Parents who do not present at the time of departure will need to pick up their child at the next bus location pickup.
Bus departs: 4:50 p.m.
- Drop point #4: Los Altos Community Center, 97 Hillview Ave, Los Altos, 94022
Bus arrives: 5:05 p.m.
It is very important that parents be on time and waiting for the bus arrival so schedule can be maintained.
Bus departs: 5:10 p.m.

Harker Student Transportation Services 2024-25

Please take a close look at the routes and times as some have changed from the previous year.

PM Drop Off – Los Altos Community Center 97 Hillview Ave., Los Altos, CA. 94022

Please park in the designated parking lot.

As daylight savings ends and it is darker or dark when we reach the stop, please walk to the bus doors to pick-up your child(ren). Thank you.
