

HARKER

LOWER SCHOOL UNIFORM EXCHANGE

Harker provides its students and families a wonderful uniform exchange program. We will accept gently used green uniform items and make them available to you. Harker is committed to being a green school; we are not charging for our exchange closet.

UNIFORM EXCHANGE HOURS

SUMMER HOURS

The exchange closet will be open the second week of August until the first day of school, from 9 a.m.-12 p.m.

REGULAR SCHOOL HOURS

During the regular school year the uniform exchange key can be obtained at the front office.

We encourage our families to use SwapCircles, a parent-led initiative to recirculate uniforms, clothing, sports gear and more within the Harker community.

In order to make the exchange process successful, we ask that you use removable name labels on your child's clothing.

- Green and gray uniform jackets, fleece and wind-breakers
- Green Harker logo sweaters
- Black pants and shorts, lower school plaid skirts and jumpers
