

Included in Tuition

- Campus-to-campus service that operates before and after school and links all three campuses.
- SmartTags are used to identify all students as they board buses.
- All Harker transportation services are free.
- Our buses provide support for the athletic program and school field trips – more than 1,400 each year.
- We have long-running morning routes from various South Bay locations, and from the Peninsula with stops in Los Altos, Cupertino and Sunnyvale. We also run afternoon routes to Los Altos and Cupertino. (All routes are subject to change based on ridership and other factors).
- Our morning and afternoon bus routes are reassessed each school year and the timing and locations may change due to the needs of our parents and other variables.

For more information about routes, check out the Transportation tile on the [parent portal](#).

Our bus fleet is air-conditioned and equipped with safety belts.
