

Musical Theater Intensive (Open to rising students in grades 5-10*)

The Harker Conservatory is proud to bring our globally recognized, award-winning musical theater program to our summer program.

Set in our state-of-the-art Rothschild Performing Arts Center, Musical Theater Intensive is designed for students who love musical theater and are ready to take their skills to the next level. All experience levels are encouraged to audition as we are able to educate both the skilled and new to musical theater student.

Our award-winning musical theater educators and alumni, as well as outside theater professionals, will propel them to the next level in their training. This program culminates in a final showcase performance featuring all of the musical theater students in Harker's state-of-the-art Patil Theater.

Each student will also leave with an audition song ready for any school or regional production.

Students will be selected by audition, as the program is limited to 25 participants.

*Video auditions due two weeks after completion of registration. Requirements provided after registration is complete.

Grades 5-12 Summer 2024

Summer @ The Conservatory brings together the best Bay Area theater educators and our cutting-edge performing arts facilities in order to provide well-rounded, challenging classes, workshops and performance opportunities for the most passionate young actors.

The Conservatory Presents (Grades 5-9)

In Presents, passionate theater students experience classes focused on broadening their acting techniques, workshops with industry professionals, and daily rehearsals for three one-act shows.

Students will experience a professional level production, using props & costumes and participating in fully-produced rehearsals & shows. This program culminates in the final performances, where actors' skills and growth are showcased on our state-of-the-art theater.

Conservatory Intensive (Grades 9-12*)

Older S@TC students will dive into a more challenging play,, honing their characters and ensemble-building skills. Intensive expands on the skills learned in Conservatory Presents, and students are required to have completed that program or a similar one in the area before auditioning for Intensive. This program culminates in the final performance, where actors' skills and growth are showcased on our state-of-the-art theater.

Please email Artistic Director Laura DeKraker Lang-Ree for exceptions to the Present pre-requisite at laura.lang-ree@harker.org

*Video auditions due two weeks after completion of registration. Requirements provided after registration is complete.

Screen Acting Bootcamp (Grades 5-12)

In Screen Acting Bootcamp, students learn tricks of the trade in a fun-filled, fast-paced week that focuses on the specific acting techniques needed for film. Working with television and film scripts, our actors develop the performance nuances they'll need on camera by delving into techniques for commercial and film auditions, including how to cold read, take direction for the camera, and create compelling characters using actual film scripts.

Actors in this workshop can expect to finish with a headshot and a short filmed piece, and be ready for their first audition! Space is limited.
