

Class of 2023

Your son or daughter has grown up here at Harker.

With excellent academic preparation have come unforgettable experiences and opportunities.

Perhaps your son took part in the Kindergarten Hat Parade or tried an art class.

Or maybe your daughter had her first featured role on stage, or played in her first competitive basketball game. Most likely, your child made friends and memories to last a lifetime.

Harker's mission is to help students cultivate their own unique talents, to nurture intellectual curiosity and to embrace their individuality. When students graduate from Harker, they possess the knowledge, self-confidence and integrity to take their places as global citizens of the world.

Senior Parent Appreciation Gift

We would like to invite you to participate in the Senior Parent Appreciation Gift – a permanent legacy from the parents of the Class of 2023. This is a wonderful opportunity for you to show your appreciation for your student's experience here at Harker.

The amount that you donate to annual giving this year will help fund the Class of 2023 Senior Parent Appreciation Gift. All donors will have their children's names included on a plaque permanently placed in Graduates' Grove, between Dobbins and Manzanita halls.

Funds from the Senior Parent Appreciation Gift go to a special Class of 2023 fund within the school's general endowment. The principle of the funds is retained in perpetuity; only earned interest is used to benefit future Harker students.

Senior Brick Campaign

As part of the Senior Parent Appreciation Gift, we are also continuing the tradition of the Senior Brick Campaign. Participants are invited to a lovely ceremony in May to honor the graduating seniors as they place their bricks in the walkway.

Gifts to the annual fund totaling \$2,023 (for the Class of 2023) or more and a brick inscribed with your graduate's name and year will be placed in the walkway leading into Graduates' Grove.

Please note that a donation for a senior brick is not a separate or additional gift from the Senior Parent Appreciation Gift. Senior brick gifts also count toward the Senior Parent Appreciation Gift, and both senior parent gift programs are part of the annual giving campaign.

Please join us in honoring the achievements of our amazing students!
